SUPPLEMENTAL AMENDMENT

Dear Commissioner:

In response to the telephone conversation with Examiner Yao on this date, attorney for applicant was advised the claims as submitted in the Amendment filed October 11, 2005 were acceptable. In addition, the Examiner indicated he would allow claims 22-44 (which were previously withdrawn) to be reincorporated if independent claims 22 and 34 of the withdrawn set of claims were amended to include all of the limitations of claim 1.

In response to the Examiner's suggestion, claims 22 and 34 have been amended herein to incorporate all of the limitations of claim 1, even though those limitations in claim 34 have been incorporated in method form to be consistent with the original format of claim 34. In addition, claims 40-42 and 44 have had minor corrections made

Appl. No. 10/621,084
Supplemental Reply to Office Action of August 8, 2005

thereto to be consistent with independent claim 34 and to correct minor typographical errors.

Accordingly, it is felt claims 22-44 are allowable in addition to the claims presented in the aforementioned Amendment of October 11, 2005, which were indicated by the Examiner as being allowable. An allowance of the application is therefore courteously requested with claims 1-45.
